The official announcement was made on Wednesday 14th of December. The move to acquire C & H Freight Pty Ltd first started in early August 2022. The process took 4 months and the deal and transition was finalised on Monday 12th of December 2022.

“C & H Freight Pty Ltd were patient and deliberate when trying to find the right business that would not only take care of our long-standing customer base but further enhance the Global Forwarding experience through the use of dynamic software platforms, own facilities for handling cargo and large inhouse teams to offer a full suite of Global Forwarding services” said Christine Morgan, Managing Director of C & H Freight Pty Ltd.
